Horse races and inter-provincial rugby championships are features of the day. The city will be the scene of a number of other events to be held in connection, including most local forms of sports.

A golf competition also will be held on the Mayfair Golf and Country Club, between the teams of the presidents and the vice-presidents.

A trap shooting tournament will be held by the Edmonton Gun Club at Portage Avenue and 121st Street at 9 o'clock this morning.

Local military and civilian organizations, numbering in all several thousand persons, will take part in the parade. The parade will start at 10 o'clock from the city hall and will proceed to the Memorial Square, where the Memorial service will be held.

Will Be Big Event

Present indications are that the parade will be the largest of its kind ever held in the city. Not only will the local military organizations be out in full force, but the city, provincial and federal Canadian Mounted Police and the City Fire Department will also be present. It is expected that there will be a number of floats, and that the parade will be a most successful one.

Paineve's Out of Race For Cabinet

Leader of New French Majority Seeks Presidency of Chamber Instead

RESPONSIBILITY OF POWER TOO GREAT

Decision Is Surprising Consequence of Parley with Present Leaders

PARIS, May 23.—The most unexpected consequence of Wednesday's conference between members of the present government and the leaders of the new majority in the Chamber of Deputies was the announcement that M. Paineve had withdrawn from the race for a cabinet post by accepting the candidacy for the presidency of the chamber.

The decision of M. Paineve was confirmed by the members of the chamber today. It was explained by the fact that he had found, after the conference, that the responsibilities of power at the present time were too great for all the present members of the chamber.

My own aim and hope is to help to make our empire a land of hope and glory for the future.

DENOUNCES MIXING OF WHEAT AT INQUIRY

Asserts System Used for Keeping Figures Causes Persecution

VANCOUVER, B. C., May 23.—(By Canadian Press.)—Asserting that he was being persecuted by the Federal Board of Grain Commissioners and that this part of his being discriminated against by the same body, Col. MacLean, the local Harbour Board's elevator superintendent, today in the witness box here, after a long and arduous day, asked the Royal Grain Inquiry Commission if it should not be represented by special counsel.

The outline came with dramatic suddenness, following several days of cross-examination that had centred on and around Mr. MacLean's operation of the grain business of the Harbour Board.

One member of the Board of Grain Commissioners was in the room when the accusation was made, and the witness said he was sorry. Messrs. Boyd and MacLean, the other two, were not where they could hear his charge.

Chairman Targem emphatically questioned Mr. MacLean, asking that he elaborate more fully his reasons for these assertions. Mainly the witness said he would put the matter of discrimination in this way: "I was the system and as a result of that system he believed the port of Vancouver was being discriminated against."

This turn of the case grew out of the investigation that part of the Van Allen charges alleging that

DEFENCE COUNSEL PLEADS NOT GUILTY ON TWO CHARGES OF FRAUDULENT DEALING

Crown Will Seek to Show That Money Department Head Received Was Part of Profits Made by Dealers in Transactions with Ontario Government

TORONTO, Ont., May 23.—After hearing evidence in support of three charges of conspiracy to defraud growing out of the provincial bond scandal, Magistrate James this afternoon committed Amelius Jarvis, Sr., Amelius Jarvis, Jr., and Harry G. Peppi, all of the former bond dealing firm of Amelius Jarvis & Company, to stand trial at the Fall Assizes. In reply to the plea by defense counsel that no criminal intent had been shown, the magistrate ruled that he would leave that for the higher court to decide. The three men, therefore, will be tried at the same criminal sessions which will hear the charges against Peter Smith, former Treasurer of Ontario, has already been committed. The evidence in all four cases, it is understood, will be closely related, so far as the charges concern alleged irregularities in the purchase by the Provincial Treasury Department of bonds during Peter Smith's term as Treasurer.

SPORT IS MY SUBJECT

By DEACON WHITE

Six races, nicely filled, in the excellent stand that Manager Stark of the Exhibition Association has arranged for the entertainment of the public today at the Fair Grounds, beginning at 2 p.m. Three of the events are for thoroughbreds and two for the members of the Edmonton Saddle Club, one of the latter being for gentlemen riders and one for ladies. The pari-mutuel machines will be operating for the benefit of those who like to make a horse race extra interesting.

In addition, a special match race has been arranged between Douglas C, owned by George Carnes, and Joe Simpson, owned by H. McLeod.

Miss Violet Bode takes the mount on Joe Simpson, and an unknown gentleman rider on Douglas C. This will be a feature attraction of the program.

There are five entries in the Saddle Club race for lady riders. This race has created much interest, as it is the first of the season. The exhibition Association set out to arrange this event, but found that dealing with prima donnas was full of trouble. However, they persevered, and the public will get a chance today to see five local ladies competing for the first time in a horse race.

The preceding judge at the meet today is Bill West, who has associated with him Frank MacMillan and Sergeant-Major Edgerton the Royal Canadian Mounted Police.

Joe Drisgoll is starter, and Jack Oliver and George Mackintosh are the official timers.

The first event of the thoroughbred is a handicap race with the following starters: Charlie C, owner George Owens of Wetaskiwin; Phil Martin, owner Charlie Archer of Edmonton; Humma, owner C. C. Emmert of Edmonton; North Shore, agent, Andy Robinson of Calgary; Colonel Boyce, owner George A. Ball of West.

The second event is a special race of four furlongs, there are eight entries: Arcadia, owned by H. Morrow of South Edmonton; Chess, owned by E. Teller of Morinville; Red, owned by A. Steffen of Morinville; Dolly, owned by Charles C. Ball of West.

The third event is a four furlong dash, weight for age, and has eight entries: Paganini, owned by Mike Armstrong of Edmonton; Charlie C, owned by George Owens of Wetaskiwin; Yorkshire, owned by George A. Ball of West; Echo, owned by Charlie Archer of Edmonton; Red, owned by A. Steffen of Morinville; Chess, owned by A. Teller of Morinville, and Briggs Pendence, owned by George A. Ball of West.

With a south wind blowing, good weather and a good track is assured for today. Seven and eight entries in each race make a good field, and the betting should be brisk, as none of the horses have raced before this year, and there are no dogs on their form at the present moment.

After the racing program is finished, the big rugby match between Vancouver and Edmonton will take place. It is billed to start at 4 p.m. This is the first of a series of two games for the championship of British Columbia and Alberta.

The hope on this rugby game favors the selected athletes from Vancouver, because of their greater familiarity with the pastime, which has been established in their city for years, and the fact that there should be better material in the way of athletes in a city which is three times the size of our own.

Edmonton has a likely looking team, however, and may surprise the sharps. One thing is certain, and that is, Vancouver will have no chinch, and the games will be worth going miles to see.

International Slogan of "Friendship" Is Key-note of Speeches

"Gyro is friendship." This international slogan was the keynote of the big banquet, meal and dances held in the Macdonald hotel last night to mark the formal opening of the annual convention of the Pacific Northwest division of Gyro, and incidentally the Gyro convention to be held in this city.

Approximately two hundred and fifty Gyros and "gyroettes" or "gyroettes" as the members were affectionately termed, were assembled in the main dining room of the hotel, when, with the playing of the national anthem, the convention opened with the friendly relations of the Gyro and "gyroettes" who came from all parts of the Pacific Northwest, including the United States, Canada, and Alaska.

Immediately following the formal opening, the convention was held in the main dining room of the hotel, when, with the playing of the national anthem, the convention opened with the friendly relations of the Gyro and "gyroettes" who came from all parts of the Pacific Northwest, including the United States, Canada, and Alaska.

Wise Fishermen Will Make Certain They Have Their Licenses

This holiday may have an unpleasant termination for anglers unless they abide by the letter of the law and see that their licenses are properly renewed before venturing their lines, say the officials of the Department of Marine and Fisheries.

The opinion is current in some circles that the sport of angling in Alberta is a free-for-all, but quite the contrary is correct, according to the department. It is now permissible to take up to fifteen coarse fish in one day from the various lakes, however.

The licenses issued by the department are valid in all the various forest reserves, but the holders are subject to the regulations of the Forest Service while fishing. This applies to the Edmonton district, which is a favorite haunt of Edmonton sportsmen.

KINAPAPER MURDER YIELDS FEW CLUES

Authorities Declare Brutal Crime Most Baffling in the City's Annals—Even Exact Cause of Death Remains Undetermined—Detective Believes Boy Was Slain by Youthful Criminals

CHICAGO, May 21.—A few meagre clues, including a gray automobile and a pair of spectacles of peculiar make, and theories of kidnapping and ransom were all the police had to guide them tonight in their search for the brutal slayers of Robert Frank, thirteen-year-old son of a Chicago millionaire, whose nude body floated in a swamp yesterday while the father waited to pay a \$10,000 ransom.

Even the cause of death was not determined definitely tonight, and after twenty-four hours of investigation the police admitted the crime one of the strangest and most baffling in the city's history.

The police, however, tonight sought the answers to a score of questions, while a coroner's inquest, opened today, was confined to the question of how the boy suffered had not fructified the search.

The place where the youth died was a swampy area, and the police believe that the boy was kidnapped and held for ransom. The police believe that the boy was kidnapped and held for ransom.

This was a story of life that she had adopted when she was thrown out of her home by her father, and she went to live with a kind judge in her home. She was a kind judge in her home. She was a kind judge in her home. She was a kind judge in her home.

In addition to Miss Lacy, the cast consists of John H. Brown, Frank Shaw, Lew Lacy, Mary Carr, Harry Hume, Henry H. Waltham, Roy Stewart, Myrtle McQueen, Jean Herschel, Ford Sterling and Stanton Rock.

\$15,000 in Cash Prizes and Autos

WILL BE GIVEN AWAY During Next Few Weeks By The Edmonton Bulletin

This Is the Grand Prize for Edmonton

\$2,250 CHRYSLER MASTER SIX TOURING CAR

The Chrysler Master Six Touring Car carries the undeniable mark of quality. It is a mark in its ease, grace, the product of careful blending of lines and surfaces, curves and angles. Upholstery is of genuine soft buffed leather of pebble grain. This car was selected especially for the Grand Prize for the City of Edmonton, and is now on exhibition at the Motorcade Showroom, 101st Street, Edmonton. This prize will be awarded to the person who secures the greatest number of votes in the City of Edmonton. The winner of this car may accept an alternate prize of \$2,000 in cash.

It will not interfere with your business. It is merely a matter of boosting

The Edmonton Bulletin

The Object of the Big Automobile and Cash Prize Campaign

Would you like to have \$2,000 in cash?

Or would you like a Chrysler Six-Cylinder Automobile?

Or would you like a McLaughlin Six-Cylinder Special Touring Automobile?

Would you like one of these within the next few weeks?

The plan is based on a circulation campaign and for the first time in the history of such campaigns in Western Canada the winners will have a choice between cash and equivalent prizes.

\$15,000 For New Readers

The motive behind this \$15,000 offer is simple. It is to open the doors of Edmonton and all Northern Alberta to thousands of new readers of The Bulletin. The plan has been under consideration for several months. The Bulletin feels that the most pleasant way to add a large number of new readers is to include present friends and subscribers in the plan so that they may have opportunity to share its benefits.

Before the campaign is complete a large number of friends and boosters of The Bulletin will have been handsomely rewarded for their part in this great circulation event.

Months of Improvement

The Bulletin has devoted considerable time and money to improving the quality of the paper. It now wants a large number of new readers who will become permanent friends. The effort, which in the ordinary way would require many months, can be accomplished in a few weeks by the present plan of \$15,000 in prizes with cash commissions to subscription boosters of the paper.

The Bulletin's territory has been divided into two districts—the City of Edmonton and one outside district.

TWO GRAND PRIZES

There will be two grand prizes of \$2,000 each, one for Edmonton and the other for the outside district, so that candidates in the country district will not be matched against city contestants for a grand prize.

The two districts are as follows:

NUMBER ONE—The City of Edmonton—All territory within the City Limits.

NUMBER TWO—Northern Alberta, excluding the City of Edmonton.

This contest is open to everyone. You do not need to be a subscriber of The Bulletin to enter your name.

You may enter your own name or the name of your wife or daughter or some friend whom you would like to see win one of the big cash prizes.

A Few of the Things \$2,000 in Real Money Will Do for You

\$2,000 will make the first payment on a home.

\$2,000 will go a long way in relieving some pressing mortgage.

\$2,000 will assist very materially in financing a university course.

\$2,000 will buy a lot of new furniture.

\$2,000 will buy you an elegant touring automobile and give you enough money to buy gasoline and oil for a year. \$2,000 is more money than many a man earns in a

year. Here is your chance to earn that amount in 12 weeks, and still hold your position.

The person who never makes an effort is always lagging behind and wondering why the other fellow always gets ahead.

This is your opportunity, Mr. Reader—Grasp it. It may never come again.

Send in your name today and prove to yourself that you have the ability and that you are going to make it work.

Second Prize for Edmonton \$1330 Overland "Blue Bird" Touring Car

The "Blue Bird" Overland Touring Car, equipped with balloon tires, bumpers, disc wheels, in fact everything that makes up the last word in distinction and comfort. This car will be awarded to the person who secures the second greatest number of votes in the City of Edmonton. This car is now on exhibition at the McLaughlin Showroom, corner 105th Street and Jasper Avenue, Edmonton.

Winner of this car may accept an alternate prize of \$1,000 in cash.
